

## DISTRICT CUB CAMP 2010

### Bowley Scout Camp

Friday the 7<sup>th</sup> May saw 12 Cubs from the 38<sup>th</sup> Rossendale, Friday Pack making their way to Bowley Scout Camp at Great Harwood. The theme of the camp was pirates.

They arrived at 7 pm for an action packed weekend. On arrival they meet the other Cubs and Leaders and then went to their sleeping accommodation to unpack and change their clothes.

A session of badge making was followed by a hike and a supper of hot dogs. Bed time followed but there was little chance of anyone sleeping!

Saturday morning breakfast was at 7 am and then they all went to flag break and then made craft eye patches, cutlasses, boats and a parrot.

Lunch consisted of potato pie, a mars bar, banana and a drink which was followed by some free time including a visit to the campsite shop.

The Cubs were then split into four groups undertaking Abseiling & Climbing, Rifle Shooting, Archery and big games.

Teatime consisted of chicken or vegetable curry or corn beef ash.

Some more craft work preceded watching the Muppet Treasure Island film an intermission of supper consisting of burgers and onions followed by bedtime.

Sunday breakfast was at 8 am. Following the flag break there was a Scouts Own Service which included the story of the Good Samaritan. After changing the Cubs went Rafting and Water sliding.

Lunch consisted of chicken in mushroom sauce, roast potatoes, mash and mixed vegetables and Yorkshire pudding. A Choc Ice and cake followed.

A little more free time was had before close of camp and home time.

Thank you to all the Leaders who came on Camp and a special thank you to Paul for organising the Camp.

Brenda Ward.
