Resourceful Action for Future Transformation

The RAFT Foundation is a new organisation. We have decided that rather than go to the internet and search for a suitable idea for our logo, we would run a **competition for 38th Rossendale (Open) Scout Group** and ask them to have a go at being designers! All you need to do is have a read of what we will be doing in Rossendale and **create a design** which represents **what The RAFT Foundation means to you**.

Please **keep your design inside the box** below so that our volunteer graphic designer can easily transfer it into a computerised image for use on our stationery, posters, website and Facebook page should you win. We will also use the designs by the runners up on our website and literature so **everyone** is in with a chance of seeing their work in use! **The winning logo** will be adopted by The RAFT Foundation and the winner will have a chance to see how their design is adapted for use. As well as seeing their logo in use, the winner will be awarded **two tickets to a Vue cinema** to see a film of their choice.

There is an **entrance fee of £1 per entry** (you can enter more than once) and the proceeds raised will be split equally between 38th Rossendale (Open) Scout Group and The RAFT Foundation. Just print off this page and give it a go! Pass completed entries to a leader in your group. **The closing date for entries is 6th July 2012**.
