

# COMPETITION

## Calling All Sections!

If you are a Beaver, Cub, Scout or Explorer this competition is for you.

Design a glass jar to try and win a prize

You can use any materials to make your winning design (for example we used glass paints, poster paints, felt tips & stickers - but you can use whatever you have to hand). Once decorated your jar should be filled

In our examples we filled ours with (individually wrapped) sweets, cotton wool & nails. But you can fill yours with anything as long as you think someone will want to win it. These will be judged and then used at the Christmas Fayre to raise funds.

You may do this as part of your section night but feel free to have a go at home too

Please make sure your name and age are on the bottom of the jar to help the judges
