

# Reverse Advent 2016

The Raft Foundation

Resourceful Action for Transformation

# cubs

## **WHAT IS REVERSE ADVENT?**

Reverse advent is when you put objects into a box everyday for a certain amount of time. the items in the box will go to a food bank(in this case raft).

Raft foundation was formed to help local individuals and families who are in crisis in Rossendale this includes the provision of a managed food bank service.

### **What we want you to do, just pick one not all three:**

1. Put a food item or household item into a box everyday until the 25th November. Feel free to use your imagination of what a family might need.

2. Make a small advent box for a child that could include:

- Toys(Unbroken)
- Advent Calender
- Chocolates
- Socks
- Winter clothes
- Toothbrushes
- Toothbrushes
- Pencils

3. If you cannot do either of the above then any items of food, toileteries ect. These can be made into a group advent box

**Bring your items back to cubs on the 25th  
November**
